

Re-entry Permit

The immigrations at the airports stated below are currently exercising an emergency procedure for re-entry permit issue. They are issuing re-entry permits at the airports, if you bring airplane tickets of the day and revenue stamp (3,000 yen for single (multiple re-entry permit is not available.)). However, they recommend you to go to a nearest immigration first since they cannot guarantee to issue at the site. Please check-in before the immigration.
